

Black Knight GPS Trackers

VEHICLE SECURITY ISN'T COMPLETE WITHOUT A GPS TRACKER

Black Knight GPS Trackers - Ultimate Theft Protection

You love it - so make sure you know where it is! Black Knight design innovative miniature GPS devices that are simple, powerful and able to be hidden almost anywhere. Track in real-time, view playback data for any period up to previous 12 months, set anti-theft alerts and more. With Black Knight, you'll always know where your loved one is!

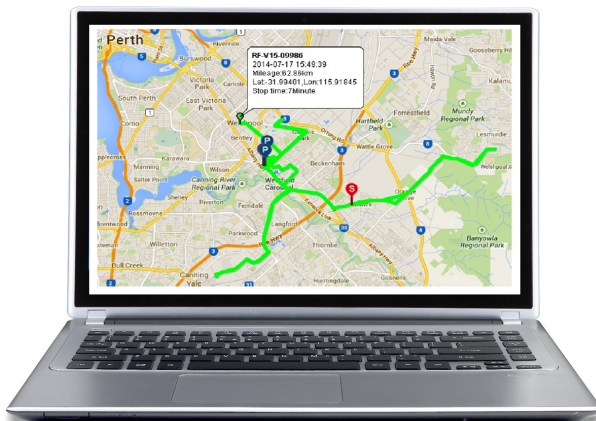

Black Knight High-performance GPS Tracker

The Black Knight GPS Tracker is sleek, small, powerful & versatile. Once connected, your Black Knight will update its position every 15 seconds, reporting your vehicle's location 24/7.

Unsurpassed Tracking Performance

- ✓ Real-time tracking via Smartphone, iPad, Tablet or PC
- ✓ 12 months travel history through Playback
